# Glenside Drill Core Storage Facility - New Security Arrangements

---

## Opening/Closing Times:

PIRSA – Monday to Friday 7:30am – 4:00pm  
DWLBC – Monday to Friday 7:30am – 5:00pm

---

### To all our valued clients,

Due to recent upgrades of the Glenside Drill Core Storage Facility and in compliance with PIRSA's OHS&W requirements, we ask our clients to please note the following information.

Visitors to the Glenside Drill Core Storage Facility will be required to adhere to the following;

- Upon arrival, press the required button on the intercom system (ie. PIRSA or DWLBC) for service.
- A staff member will respond and give you access via remote and/or personal admission / induction.
- All clients/visitors will be required to sign in and clearly display their **Visitors Pass** at all times, for the duration of their visit.
- All clients/visitors will be required to sign out and return their **Visitors Pass** on departure.

### Please Note:

- In the case of visiting groups, the Group Leader will sign in and take responsibility for the members of their group.
- Visitors should make themselves familiar with the "**Safety Instruction**" on the reverse side of their **Visitors Pass**.
- Access to any other section in the facility will require the authorisation of the Core Library Manager and/or the incumbent of that section.
- Patrons using the car park facilities, do so at their own risk.

We appreciate your understanding and support.

Regards,

Brian Logan (Manger) and the Drill Core Storage Facility Team.
